Dept. of Education	Magnet Schools Program	-	-	05/05/20	05/26/20
Competition Description	<p>This program provides funding to LEAs to establish and operate magnet schools that are operated under a court-ordered or federally approved voluntary desegregation plan. These grants assist in the desegregation of public schools by supporting the elimination, reduction, and prevention of minority group isolation in elementary and secondary schools with substantial numbers of minority group students. The program supports capacity development-the ability of a school to help all its students meet more challenging standards-through professional development and other activities that will enable the continued operation of the magnet schools at a high-performance level after funding ends.</p>
